

Caregiver OF THE MONTH

Doris Oliver

has been named Moran & Goebel's November
Caregiver of the month

More than Patients, Friends

A certified nurse's aid for Family Visiting Nurses, Doris dedicates her time to the service of others by offering a helping hand where needed most. Whether caring for a hospice patient or a man and wife in need of medical attention, her call to serve goes beyond cooking, cleaning, meal preparation, and personal assistance. Her real purpose, she will tell you, are the friendships she makes along the way.

"I enjoy the different people and their personalities. There is always a story to tell, and so much to learn about these unique individuals. My life is enhanced by just being around them. Because of this, I'm not only helping them, I'm helping myself."

The Caregiver of the Month program honors Doris Oliver and the many others like her for the amazing work they do every day. We extend our thanks and pray that others continue to follow her example.
